GAA Custom Electronics, LLC (GAACE) warrants its products against defects in workmanship and materials a period of 12 months from the date of sale. This warranty is void if the product is misused, altered, tampered with or is installed or used in a manner that is inconsistent with GAACE's written recommendations, specifications and/or instructions, or fails to perform due to normal wear and tear.

GAACE will also provide free phone support and firmware updates, where applicable, for up to one year.

GAACE does not warrant the suitability of the product for any particular application. Determining product application suitability is solely the customer's responsibility. GAACE is not liable for special, indirect, incidental, consequential or other damages including, but not limited to, loss, damage, personal injury, or any other expense directly or indirectly arising from the use of or inability to use its products either separately or in combination with other products.

All other warranties express or implied, whether oral, written or in any other form, including but not limited to warranties of merchantability or fitness for a particular purpose, are expressly excluded.

The sole and exclusive remedy under this warranty is limited, at the option of GAACE, to replacement of the defective product or repair at GAACE's facility. All allegedly defective GAACE products must be returned prepaid transportation to GAACE, together with information describing the product's application and performance, unless otherwise authorized in writing by GAACE.
